MICHIGAN TOBACCO SETTLEMENT FINANCE AUTHORITY

The Michigan Tobacco Settlement Finance Authority (MTSFA) was created by Michigan Compiled Laws Section 129.264. The debt service fund was established to account for debt service payment on bonds issued by MTSFA. The MTSFA special revenue fund receives bond proceeds and disburses those for the intended purposes stated in the Official Statement of each bond series. Debt service financing is provided by pledged tobacco settlement revenues, as described in the bond indentures of MTSFA, that are received by the special revenue fund. These bonds are not a general obligation of the State.

STATE BUILDING AUTHORITY

The State Building Authority (SBA) was created pursuant to Michigan Compiled Laws Section 830.412, to issue bonds to finance the acquisition or renovation of buildings for use by the State or public institutions of higher education, as well as State furnishings and equipment.

SBA projects are financed by revenue bonds, the proceeds of which can only be used for construction and debt service on projects related to particular bond issues. During construction, debt service requirements are financed by a portion of the bond proceeds that are dedicated for that purpose. For completed projects, the resources to finance bond interest and redemption are provided by transfers from the General Fund and from investment earnings of this fund. When a project is completed, the remaining net assets are transferred to this fund where they are invested and used for debt service. Excess balances related to a particular bond series remaining in the fund after the final payment on the bond series are transferred to the General Fund.
